

TOUCAN Field Championships 2024

Merlin Field Archers | Sunday 5th of May | Warm sunny weather with highs of 16 degrees

I would like to thank Ash & James Cowie of Merlin Field Archers for allowing us to host TOUCAN field at Merlin for a third year and for providing the target faces. Thank you to Morgan and Matt who circled the course throughout the day with arrow jacks and returning lost arrows. Thank you to Tom & Rebecca for arriving early to help set up. Without your help, this event could never happen!

Thank you to all attendees and I hope you enjoyed yourself and feel inspired to try field archery again. I have enjoyed organising this competition over the last three years and now feel like it is my time to move on. If you feel inspired to step into competition organisation, please send me a message.
